## Travel

1. By plane: the nearest airport is Madrid Barajas “Adolfo Suarez”
2. By train: from Chamartin Train Station to Segovia:
  - How to get to Chamartin train station from Barajas Airport:
    - By underground Metro (4,5 euros): Take Line 8 to “Nuevos Ministerios” station (6-8 stations depending on the arrival terminal). From there, change to Line 10 and take to “Chamartin Station” (4 stations) The travel time is approximately 33 minutes. Once you have arrived you do not have to leave the station to reach the high speed train; look for signs for “Chamartin Train Station”
    - By taxi: 30 euros fixed price (20- 30 minutes depending on the traffic)
  - High Speed Train called Alvia: [www.renfe.com/EN/viajeros/horarios.html](http://www.renfe.com/EN/viajeros/horarios.html): (12, 5 Euros, Travel time: 28 minutes) Note: On the same page you can choose cheap trains (8,5 euros) but the trip takes more than 2 hours; we don't advise you to take the cheapest one.  
We will send you a number code to get a discount for the Alvia train to Segovia
3. “The Segovia Station” is 7 Km from the Parador; you can take either a bus or taxi.

Please let us know when your flight is landing because maybe someone in our team can give you a lift to Segovia. Email us at [nidcapsegovia@gmail.com](mailto:nidcapsegovia@gmail.com)
