and the
Children's Hospital at the University of Illinois NIDCAP Training Center**

UNIVERSITY OF ILLINOIS
Hospital & Health Sciences System
Children's Hospital

Endorsed by the **NIDCAP Federation International, Inc.**

Course Information

Program Outcome:

Attendees will describe and identify strategies for early born and fragile term infants in the Newborn Intensive Care Unit that will transform the experience of care in the NICU. These strategies will then be applied in the management of early born and fragile term infants.

Target Audience

Neonatal and Cardiac Intensive Care staff, including RNs, Neonatal Nurse Practitioners, Occupational Therapists, Physical Therapists, Speech-Language Pathologists, Respiratory Therapists, Child Life Specialists, Integrative Health Specialists, Infant Developmental Specialists, and NIDCAP Professionals.

Location

Albert B. Sabin Education Center, Fifth Third Bank Auditorium, Location D
Cincinnati Children's Hospital Medical Center
3333 Burnet Avenue
Cincinnati, Ohio 45229

Keynote Speaker

Mary E. Coughlin, MS, NNP, RNC-E is an internationally recognized expert in the field of trauma-informed age-appropriate care and cultural transformation in the NICU. Her clinical background spans over 30 years, with an emphasis in neonatal nursing and advanced practice as a neonatal nurse practitioner. Ms. Coughlin is described as a motivational and transformational leader and speaker, whose passion for merging core measures with developmentally supportive care make her a desirable and key figure to help NICU staff understand and utilize concepts that will change the outcome for NICU graduates and their families.
